4 COMMUNICATION CENTRE

On the left-hand side of your MyHealthPEI dashboard, you will see an option for **Communication Centre**. Beside the **Communication Centre**, you will see an arrow pointing down. Please click on this arrow to see what options are available to you for review.

Once expanded, you will see options to access the below:

- My Documents
- Print My Record

4.1 MY DOCUMENTS

My Documents allows you to upload your personal health documents (for example, out of province results you receive on paper or via email), helping to keep it safe and all in one place for easy access.

4.1.1 UPLOADING A FILE INTO MY DOCUMENTS

A couple of guidelines to know about before you begin the steps to upload a file:

- 1. Files uploaded can be no larger than **5MB**.
- 2. Many document types are accepted. Please find that detailed list below:

.avi, .bmp, .ccd, .ccr, .cda, .doc, .docm, .docx, .gif, .jpg, .jpeg, .mp3, .one, .pdf, .png, .ppsm, .ppsx, .ppt, .pptm, .pptx, .pub, .rpmsg, .rtf, .tif, .tiff, .txt, .vsd, .wav, .wma, .wmv, .xls, .xlsx, .xml

Once you have checked that your file follows the above guidelines, click on the **Add Document** button on the top right-hand corner of the **My Documents** screen.

In the **Add Documents** window that pops up, locate and select the file you would like to upload by clicking on the **Choose File** button. Once you locate this file, click **Open** to have your document upload, and then click **Save** on the bottom right-hand corner of the Add Document window.

	* Indicates a required field
File Name	
Choose File No file chosen	

Your document will now be viewable on the main page of the My Documents screen.

4.1.2 VIEWING, DOWNLOADING, AND DELETING DOCUMENTS

Once you upload your document and it is viewable on the main **My Documents** screen, you can decide to either view the document within MyHealthPEI or download it to your computer or mobile device.

To view your record with the MyHealthPEI service, simply locate the name of the file you want to view on the **My Documents** screen and click anywhere on that line. A new window named **View Document** will open on the right-hand side of your screen:

4.1.3 ADDING, VIEWING, AND DELETING COMMENTS

You can decide to add or view comments on the documents that you upload into **My Documents**. It is important to note that the comments you add are *only visible by yourself* unless you choose to share your record. To add or view a comment, locate the name of the file you want to view on the **My Documents** screen and click on the **Add or View Comments** button.

Uploaded Date 💂	Name 🖕	Size 🌲	File Type 🖕	Source 💂	Action	Comments
06-Nov-2024 03:30 PM	XLS lt 5MB.xlsx	105 KB	Microsoft Office - OOXML - Spreadsheet	PEISTG Test2 via MyHealthPEI	View or Download	Add or View Comments

A new window named **Comments** will open on the right-hand side of your screen. Here, you will see an area where you can view or type in your comments. If it is a new comment, once you are done typing, click on **Add**.

To delete a comment, click the **Add or View Comment** button associated with the record. Click the **garbage icon (Delete)**. When prompted, click **Delete** again to confirm.

4.2 PRINT MY RECORD

The Print My Record screen allows you to view and print a PDF report of the information in MyHealthPEI.

When you open this screen, there will be two options available to you. The first is a **Date Range** dropdown and the second is a dropdown called **Type of Data**.

	MyHealth	EI	Print My Record		(?) <u>Need Help?</u>	Sign Out 🗗	PEISTG Test2
A	Home						
÷	Health Records	~		Print a copy of your MyHealthPEI record by selecting a da choosing what information you want to include.	ate range and		
ŵ	Healthy Living	~		Print it for yourself or choose to send it to others.			
	Communication Centre	^		Date Range	Last 30 Days 🗸		
	My Documents						
	Print My Record			Type of Data	All >		
1	My Health Library	~					
۵	My Settings	~		Export			

To download and print a report, please follow the below steps:

1. Customize the Date Range you would like to include:

Print a copy of your **MyHealthPEI** record by selecting a date range and choosing what information you want to include.

Print it for yourself or choose to send it to others.

Date Range		Last 30 Days 木
		All
Type of Data		Last 7 Days
		Last 14 Days
	Export	Last 30 Days
		Last 90 Days
		Last 6 Months
		Last 12 Months
		Custom

 Customize the Type of Data you would like to include and click on Save. There is a Select/Unselect All button on the top right-hand corner of the Print My Record window that opens, showing the list of available data. This button allows you to mass select or de-select the data.

	Print My Record	
		Select/Unselect Al
Print a copy of your MyHealthPEI record to in	Activity	
Print it for yourself or choose to send it to	Blood Glucose	
Date Range	Blood Oxygen (O2) Saturation	
	Blood Pressure	
Type of Data	BMI	
Export	Body Measurements	
	Heart Rate	
	Height	

3. Click **Export** to download the report with the selected data. This will save the document as a PDF.

Print a copy of your MyHealthPEI record by selecting a date range and choosing what information you want to include.

Print it for yourself or choose to send it to others.

Date Range	Last 30 Days 🗸
Type of Data	Blood Glucose >
Ex	port

4. Open the PDF, which will download to your internet browser, appearing on the top right-hand corner of the browser as a PDF file.

5. You can save the document to your desktop or mobile device. Once you open the downloaded document, you can click on the **Download** button, represented by a downward-pointing arrow on the top right-hand corner of your screen:

	th pci	
inginea		
Personal Health	Report	
Note: Only data types	hat have personal information entered or available will be shown when you print your record.
